### Instructions:

Transfer all pattern pieces to poster board. Increase Dress, Front Hair, and Back Head Pieces by 25% when printing. All other pages are at the correct size.

Trace and cut pieces.

Using pattern outline embroidery area for face and hair overlay guide. Embroider face then pin hair piece to face and sew 1/8" in from edge of fabric.

Do the same for attaching shirt to front dress and attaching heart decoration

Do the same for shoe fronts and satin ribbon by attaching it to sock fronts.

Complete assembling shoes, socks and legs while using a 1/4" seam allowance. Attach front and back legs while also using a 1/4" seam allowance leaving top of leg, that attaches to body, open to turn and fill. Turn each leg inside out and fill with Fairfield's Poly-fil 100% Premium Polyester Fiberfill. Once full, sew shut top of leg with 1/8" seam allowance.

Sew arms together using 1/4" seam allowance, leaving marked areas open and area where arms attach to body open. Once sewn clip slightly on rounded areas of hand to make smooth curve once turned inside out. Turn arm inside out and sew shut the part of the arm that attaches to body with an 1/8" seam allowance.

Sew head back to dress back and head front to dress front.

Pin arms and legs to one completed body side on marks indicated by pattern. Attach the other completed body side to enclosed legs and arms. Sew everything together while leaving an opening to turn body inside out and stuff with Fairfield's Poly-fil 100% Premium Polyester Fiberfill.

Once doll is turned inside out, fill the arms with Fairfield's Poly-fil 100% Premium Polyester Fiberfill and ladder stitch openings shut. Then fill doll body with Fairfield's Poly-fil 100% Premium Polyester Fiberfill and ladder stitch shut the dress opening.

Use blush makeup to give Murasaki rosy cheeks.

**And you're done!**

**Enjoy!!**
