Remember, you will need 1 finished Snowflake block to complete the Starry Night Quilt Sampler.

For those of you that are seasoned quilters this block will be a breeze but if this is your first block of the month series have no fear, I'm here to help you through it. To help you achieve success with each block, I've put together a few of my [**favorite sewing tips here**](#).

Well, that's it for now. Don't forget that I'll be back next month with a next block in the Starry Night Quilt Block of the Month series. In the meantime, be sure to come find me on social media and share a few pictures of your finished block using #StarryNightQuilt as a tag, I want to see how your blocks are coming along!
