Olyfun, felt or other material in the following colors:
Red, White

Additional Supplies:

Poly-fil® Brand Fiber Fill

Ribbon: we used a red ribbon and polka dot ribbon

Embroidery floss: red, black, white, green

Candy Cane:

Materials: red and white material, embroidery floss, decorative polka dot ribbon & Poly-fil®

1. Print and cut out candy cane pattern. Trace design onto 2 pieces of red material and cut out.
2. Cut strips out of white material to become the white stripes of your candy cane.
3. Place white onto red candy cane, placing in areas indicated by dashed lines on pattern.
4. Trim to fit
5. Using embroidery floss (color of your choice) whip stitch the white stripes onto both sides of the candy cane
6. Use red embroidery floss to whipstitch or blanket stitch around the entire candy cane, leaving a small opening at the top of the cane hook.
7. Using a chopstick, pencil or your finger, stuff your candy cane with Poly-fil® fiber.
8. Place decorative ribbon in opening at top. Pin in place and secure ribbon in place as you finish stitching your Candy Cane closed.

Designer tip: Embroider or use a paint pen to add a name and use as a personalized gift tag/ornament/place card at your table.
